Voter registration dates are listed. In order to cast a ballot you must be a registered voter. If you are not currently registered you have the opportunity to do so at your library. ***A Candid Look at Autism: A Family Event* Monday, April 23; 7-8:15pm (dpa520) Registration begins 2/24**
Open to all adults (Children welcome if accompanied by an adult)

This presentation will provide a candid look into what it is like to grow up, live, and work with a diagnosis of autism; presented by the author and illustrator, **Michael Werner**, and aspiring motivational speaker **Jonathan Civardi**.

In a candid and engaging manner, Michael describes his childhood through his children's book *Aspey's Adventures with Asperger's*. He clearly articulates his childhood experiences in a way anyone can understand his personal struggles while also seeing the similarities of experiences and feelings from their own childhood memories. Jonathan speaks about lessons learned, life after high school, and stepping stones towards future goals he strives toward. Jonathan shares not only his story but a wealth of knowledge of resources for anyone desiring to offer support to adults on the spectrum as well as family and friends who seek to support their loved ones.

Both gentlemen offer their personal insight into the world of autism and will leave the audience with a clearer understanding of what it means to be a child growing up, as well as an adult with autism, living and working in today's world.

LIBRARY OPERATING BUDGET
2018-2019

| | 2017-2018 | 2018-2019 |
|--|---------------------|---------------------|
| Personnel | | |
| Salaries | \$ 1,742,520 | \$ 1,784,285 |

| Library Building | | |
| Utilities, Maintenance, Insurance, and Repairs | \$ 220,230 | \$ 239,675 |
| Administrative Expenses | \$ 303,847 | \$ 309,097 |

| Revenues | \$ 217,455 | \$ 222,675 |
| TAX LEVY | \$ 3,034,747 | \$ 3,064,342 |

Based upon a \$3,500 household assessment, you will be paying \$317.44 per year in library taxes. Last year, the same household paid \$314.16. The difference is \$3.28 per year or \$0.27 per month. The proposed tax increase is less than the tax cap.

We’re writing this, and calculating numbers, in January when New Year’s resolution-talk and thoughts are everywhere. We rest assured knowing that using ***your library and voting for it*** are uppermost in your list of changes to make in the new year 2018. Now the time has come to take this out of the hypothetical and theoretical. Please come vote for the library budget on April 10, 2018, check out some items, sign up for some programs. Visit your library. Then you can confidently say you did what you resolved to do this year.
