A message to our community,

It's come and gone! Was it a wonderful summer? (Wasn't it a wonderful summer!?) Did you achieve your goals... in terms of fitness, reading, travel, self-improvement, whatever it was you chose to focus on this summer?

If not, it's never too late and September/the fall always feels like a good time for renewal and new beginnings. So fire up those summer goals again, maybe give them an autumnal twist. And visit your library for resources (of all sorts, for all ages) and inspiration. And maybe even a challenge - attend a program and learn something new and maybe next summer you'll set yourself a goal that's unimaginable now.
