in observance of Memorial Day

Library Board of Trustees Meeting: Wednesdays:  
May 26 & June 23 @ 7pm. Meetings are open to the public.

## A message to our community,

Your cooperation and patience is much appreciated as the library continues to observe COVID protocols. With warmer weather approaching we are looking forward to offering (socially distanced, appropriately masked) children's programs outdoors. Within the building, while seating and computer use is limited, the library is open Monday - Saturday. Both in-house and curbside pickup are available to check out materials. A variety of online programs for all ages are being offered.

### Happy Birds Performing Parrot Show: Summer Reading Club Virtual Kickoff Event (dpj107)

All ages with an adult  
**Wednesday, June 30; 3pm**

Meet Happy Birds, a colorful and talented flock of performing parrots! The cast of parrots include macaws, cockatoos and amazons that perform over 25 tricks, talk and sing. Cheer on the birds, answer trivia questions and ask questions during this interactive program. Register to receive Zoom link. Be sure to enter your email in the note field, along with child's name and age.

The 2021 Summer Reading Club will be online only.

The first 200 participants who register AND come into the Children's room will receive a special goody bag. Stop by the Children's Room early so you don't miss out! Your goody bag will be available for pickup in the Children's Room. All books will be entered online and prizes will be mailed home to participants.

**Beginning Monday, June 14**, you can register and enter your books online by following these simple steps:

### Digital Art & Design Workshop: MediBang Basics

(dpy643) Monday, May 17 @ 6pm

Do you want to make high-quality designs, illustrations, and comics using the FREE, simple, well-tested, MediBang Paint Pro on your PC, MacOSX, Android, iPhone, iPad, and/or tablet? In this workshop, students will learn the basics of using MediBang Paint to create standout art and design pieces. Learn to create solid, eye-catching compositions and illustrations while acquiring the technical knowledge to create this art on your digital hardware of choice for social media, websites, and/or print. Related programs will be briefly discussed, such as Photoshop, Procreate, Pic-Collage, and Krita. Illustrations can be created with a mouse or Wacom tablet on a computer, or a stylus, iPencil (works with iPad only), or just a finger on handhelds. **The instructor will supply the library with complimentary styluses for the first 15 registrants.**
