In order to better serve your needs as a homebound patron of the Deer Park Public Library, your selected books/items for each month will be checked out on your library card.

This will allow us to ensure that you are receiving the books you request, and will also help to avoid any duplication of titles by enabling and viewing your reading history. In order to help us meet your needs, the Library requires your permission to view your library reading history.

If you have any questions, please contact Carol Byrne at (631) 586-3000.

Please read, sign and date below:
